## Contraceptive - Expedited Authorization

**Effective: June 1, 2022 (Medicaid)**

Effective 6/1/2022, all Apple Health contracted Managed Care Organizations (MCO) and fee-for-service (FFS) plans have added expedited authorization (EA) criteria for contraceptives.

An EA code will be required on all claims for contraceptives. The EA code will allow pharmacies to submit a claim for contraceptives based on the following criteria.

Product	EA code	Code criteria
Contraceptives	85000000131	Used as a contraceptive, dispense 1 year
Contraceptives	85000000132	Used as a contraceptive, dispensed less than a twelve month supply due to ONE of the following: <ul style="list-style-type: none"><li>• The prescriber is unwilling to change dispensed quantity to twelve-month supply</li><li>• The patient does not want twelve-month supply</li><li>• The pharmacy does not have adequate stock</li></ul>
Contraceptives	85000000133	Used for other diagnosis, not related to contraception up to a 91 days supply.
